

Mr. Donald P. Papke Jr.

**ASSISTANT PROGRAM EXECUTIVE OFFICE, GROUND COMBAT SYSTEMS
for CORPORATE INFORMATION**

Donald P. Papke Jr. is the Assistant Program Executive Office (APEO) Ground Combat Systems (GCS), for Corporate Information. As the APEO for Corporate Information, Mr. Papke is responsible for the Information Technology and Information Assurance programs within PEO GCS. His oversight is for PEO Staff and Project Offices, Heavy Brigade Combat Systems, Stryker Brigade Combat Systems, Modular Brigade Enhancements, Robotic Systems, and Joint Lightweight Howitzer.

Mr. Papke is a native of Michigan, entering civil service in 1981 as a co-op student from the University of Michigan. Prior to assuming the duties as the APEO, Corporate Information, Mr. Papke supported PEO Staff and PM Abrams as an Operations Research Analyst responsible for reporting program efforts and status to Congress/DoD/HQDA. Prior to coming to PEO GCS Mr. Papke was with the Army Tank Automotive Command where he served within the Quality Assurance Directorate in 1990-1991 and began his career in 1981 in the Customer Services Division in charge of costing out and verifying information relative to Foreign Military Sales.

Mr. Papke graduated from the University of Michigan in 1983 where he earned a Bachelors of Business Administration with concentrations in Corporate Accounting and Finance. His formal education also includes a Masters Degree from Central Michigan University, with a concentration in Information Resource Management. Mr. Papke is Level III Acquisition Professional Certified in two (2) areas, Business, Cost Estimating, and Financial Management and Information Technology. He has been the recipient of the Superior Civilian Service Award.
